Heavy Rifle Enhancements Pack

Installation instructions :

Go to mods\update\x64\dlcpacks\mpsecurity\dlc.rpf and install everything accordingly:

1. Go to main files folder, follow the path structure and replace with modified files or add them
2. Go to 'choose clip capacity version' folder, select your version and follow the path structure, add the modified file
3. Add optional mods if you wish, follow the same folder structures
